

AAU STEM WORKSHOP AT UCLA: FINDING SYNERGIES IN STUDENT SUPPORT PROGRAMS

Friday, June 2, 2017
Bruin Reception Room | Ackerman Union 2nd Floor

8:00 AM Registration & Breakfast

8:30 AM Welcome & Program Overview (Drs. Gina Poe, Megan McEvoy, and Erin Sanders)

MORNING SESSION

8:45 AM Lightning Talks (Part I)

1. Tama Hasson-Undergraduate Research Center-Sciences-video	8. Leigh Harris-UCLA Writing Programs
2. Devin Horton-Biomedical Sciences Enrichment Program (BISEP) and UC LEADS	9. Jaime Balboa-Startup UCLA
3. Janet Goins-Undergraduate Research Portal	10. Magdalena Barragan-UCLA Study Abroad
4. Nadia Sellami-PEERS and SMC/UCLA Summer Research Institute	11. Jochen Stutz-Atmospheric and Oceanic Sciences Academic Improvement
5. John Colicelli-Integrated and Interdisciplinary Undergraduate Research Program (I2URP)	12. Rob Gould-DataFest
6. Paul Barber-Diversity Project	13. Alex Spokoyny and Ric Kaner-Student Members of the American Chemical Society and Alpha Chi Sigma (AXE) Chemistry Fraternity
7. Tracy Johnson-HHMI UCLA Pathways to Success	Cully Nordby-

10:15 AM Coffee Break

10:30 AM Lightning Talks (Part II)

14. Erkki Corpuz-UCLA Engineering Science Corps	21. Ashley Williams-Vice Provost Initiative for Pre-college Scholars
15. Rick Ainsworth-Center for Excellence in Engineering and Diversity-Intel	22. Emmanuel Owaka-Academic Advancement Program (AAP)
16. Azar Nazeri- NSF Innovation Corps (I-Corps) Los Angeles Node	23. Wesley Thorne and Karol Johansen-Career Center

17. Hilary Godwin-Public Health Success for All Students	24. Sheila Benko- Partnership UCLA (Career Initiative in the Life Sciences)
18. Monica Perkins and Jam Narte	25. Doug Worshman-Integrating Research & Writing Support for STEM
19. Edmond Hewlett-UCLA/Drew Summer Health Professions Education Program	26. Paolo Velasco-Bruin Resource Center
20. Alice Ho-McNair program and Academic Advancement Program	

LUNCH SESSION

- 12:00 PM** Buffet Style Lunch
- 12:30 PM** Keynote Speaker: Cara Stanley, M.A., Director of Student Learning Center at UC Berkeley
Fertile Grounds: Activating the Potential for Academic Success
- 1:30 PM** Break
- 1:40 PM** Short Talk: Keith Norris, M.D, Ph.D, and Nancy Calderón, M.P.H, NIH Diversity Program Consortium Coordination and Evaluation Program at UCLA.
The Diversity Program Consortium: A New National Approach Supporting Inclusive Science

AFTERNOON SESSION

- 2:00 PM** Overview of Goals & Activities for Breakout Session I (Dr. Erin Sanders)
- 2:05 PM** **Breakout Session I**

Goals: *Discuss what was learned, identify best practices, and share ideas about how to communicate and collaborate across campus.*
- 2:50 PM** Overview of Goals & Activities for Breakout Session II (Dr. Gina Poe)
(move to new groups)
- 3:00 PM** **Breakout Session II**

Goals: *Within each STEM area, identify strengths, gaps in programming, and new campus stakeholders to engage.*
- 3:45 PM** **Break**
(STEM leaders: Synthesize recommendations)
- 4:00 PM** **Report out to the Deans**
- 5:00 PM** **Closing Remarks/Adjourn**
- 5:30 PM** **Informal Receptions at Wolfgang Puck's** (Bring your drink tickets!)
