

**A call to action:**

# Striving towards inclusion in academic biology

An initiative sponsored by the Society for the Advancement of Biology Education Research (SABER) focused on promoting awareness, understanding and commitment to change academic biology environments to be more inclusive. All 1-hour sessions will be virtual and administered through Zoom; sessions will be recorded and posted on the SABER website for viewing afterwards at [saberbio.wildapricot.org/diversity\\_inclusion](https://saberbio.wildapricot.org/diversity_inclusion). No registration is required.
